

HEALTH & SAFETY POLICY

Distrupol Limited recognises that clear, positive and visible leadership is core to the effective management of Health and Safety and is essential in maintaining a positive Health and Safety culture throughout the organisation.

As such Distrupol Limited is committed to:

Our Employees and Others

Preventing injury and ill health to our employees and other persons who may be affected by our activities.

Meeting Applicable Legal and Other Requirements

Complying with all relevant regulations and requirements and operating in accordance with both government and industry codes of practice and guidance appropriate to our activities.

Management of Risk

Assessing and managing the risks associated with our activities to ensure a high level of protection for our employees and any other parties that may be affected by our activities.

Policies and Documentation

Having in place a documented management system in line with the requirements of OHSAS18001:2007 which will enable us to control our health and safety risks and improve our health and safety performance.

Objectives and Targets

Establishing and reviewing health and safety objectives and targets.

Provision of Information

Providing relevant health and safety information to our customers, contractors and other site visitors. Also ensuring this policy is available to all interested parties via our internet.

Training

Providing all employees with information, instruction and training aimed at ensuring that they understand their responsibilities and the contribution they can make towards the achievement of our health and safety objectives.

Continual Improvement

Achieving continual improvement in our OHSAS18001:2007 system and therefore in our health and safety performance.
