

# **DISTRUPOL**<sup>SM</sup>

## **QUALITY POLICY**

**All Distrupol companies are totally committed to achieving the highest levels of quality in all areas of its business by ensuring:**

**Distrupol will endeavour to ensure that all products & services fully meet the requirements and expectations of our customers and all interested parties with the aim of enhancing customer satisfaction.**

**Distrupol will ensure compliance to all statutory & regulatory requirements.**

**Distrupol will establish a positive relationship with all suppliers and external interested parties.**

**Ensure that these are appropriately communicated and understood at all levels in the organisation with all employees sharing in its commitment and are encouraged to take a responsible role in continuous quality improvement**

**Distrupol will periodically and systematically review its performance against these objectives.**

**Distrupol will provide the resources required to achieve the policy objectives.**

**Distrupol will comply with the requirements of ISO 9001 and continually improve the Company's Management System**

**Conformance to all processes and systems recorded in the Quality Manual are mandatory to all employees.**

**The senior European management will define risks and establish measurable quality objectives in accordance with Distrupol's Company Management System procedures.**
